
Tuesday 5th January 2021

Dear Parents and Carers,

As you are aware, we are not able to open school to full capacity at the moment. Whilst we are at home, it is important that the children continue to learn as they would be doing so in the classroom. To assist their learning, we have programmed a remote lesson schedule, which will be supported by additional resources either blogged or posted on Teams. You may also wish to supplement their learning with other activities too.

You can see an overview of this week's and term's learning posted on the blog – 'Let's Keep Learning'.

This informs you of our topic and the types of things to discuss with your child.

We will start our programme of learning tomorrow (Wednesday 6th January) with a Phase 3 assembly at 11am via Teams.

No other remote learning will take place before this.

During the assembly we will inform your child what the expectations are for learning.

Your child is expected to attend all remote lessons for their group. A timetable will be sent out tomorrow showing when live teaching will take place.

We look forward to working with you and your child, learning as much as we can. We also look forward to seeing and hearing all about the learning you have been doing at home. In the meantime, if you need any further advice, please contact either myself or Mrs. Goode.

Mr. Flower sflower@st-pauls.gloucs.sch.uk

Mrs. Goode lgoode@st-pauls.gloucs.sch.uk

Kind regards,

Mr. Flower
