

Dear Parents,

Next year we are working alongside The Sports Project to offer pupils at our school the opportunity to access a bucket golf afterschool club for 5 Mondays starting on **9th September 2024**.

Bucket golf is a fun, new and upcoming sporting activity where children can develop their gross motor skills and decision making. The afterschool club will provide children the opportunity to try a new sport which they may not otherwise experience.

The cost per lesson will be £5, therefore £25 for the 5 sessions. As this is an externally run club, payments cannot be made on ParentPay and must be paid using the following information.

All information including dates, times, how to book, and more can be found here
<https://the-sports-project.class4kids.co.uk>

When you use the link, please look for St Paul's Church of England Primary (GL1 5BD) **(see picture below)**. Once selected you will have access to pay.
