Dear Parents/Guardians,

Building Bridges and the University of Oxford.

Over the last few months, we have been working alongside the University of Oxford and their Building Bridges project which aims to connect with primary schools to inspire the next generation of scientists. We have had a workshop and multiple science lessons delivered by the university and they have invited year 6 to visit the University campus on **Tuesday 2nd July**. The children will visit the Ashmolean Museum in Oxford, the University Campus and learn about careers in science.

Please can you ensure your child is in school for **7:30am** on **Tuesday 2nd July**, the coach will leave St Paul's at 8:00am for us to arrive at the University of Oxford at 10:00am. If your child is not in school by 7:45am, they will be unable to attend the trip and will spend the day in another year group.

You will need to provide your child with a packed lunch, if your child has free school meals you are entitled to a school packed lunch. Please make sure this is clear on the slip that is to be returned to school. Please ensure your child has a bottle of water to take with them throughout the day (no fizzy drinks). If you provide a packed lunch for your child, please make sure they contain nut-free snacks which are not sweets or chocolate.

We will leave the University at 2:45pm and **will return to school by approximately 4:45pm**. Please collect your child from school at 4:45pm, no child will be allowed to walk home alone regardless of permission. If there are any changes to our return time we will notify you through Class DoJo.

The University will take photos throughout the day for their social media, if you do not wish for your child to be photographed for this, please make me aware as soon as possible.

Yours sincerely,

Miss Taylor
KS2 Lead
