What a term it's been – another lockdown, key worker bubbles, remote learning, Teams and blogs, back into school in our Phase bubbles and some sunshine to end the term! We've made it to the end of a very unusual term and I think we are all ready for a well-earned rest.

It has been really lovely this week to be able to go to the Church in our Phases to share the Easter Story and come together as a community in a place which is very special in our hearts. It was great to see Rev Ruth and Heather 'in the flesh' and not just in our weekly Collective Worship videos. We hope you enjoyed watching the services via the video link.

I want to say a huge thank you to the staff who have been truly amazing and have worked so hard both at home and in school this term. I also wanted to say thank you to the parents who have been so supportive and whose feedback has been really appreciated. We couldn't do it without your help! The biggest thank you, as always, goes to the children who have returned to school so ready to learn, to reconnect and who are always an absolute pleasure and delight. Their enthusiasm, resilience, determination and happy faces are what makes St Paul's so special.

I hope you all have a lovely Easter holiday: stay safe and well and enjoy spending time with your loved ones. We will see you on Monday 19th April .

Kind regards, Jayne Bevan Associate Headteacher

School Meals

We are delighted to confirm that from next term we will once again be offering school meals to all our pupils not just those who are entitled to free school meals. These will remain at a cost of £2.20 per meal which is payable through Parentpay . Please remember that you must have enough credit on your ParentPay account to order a meal. If you have any queries about your account please contact the office after the holiday. The new menu for next term has been sent out by email this week, and is available to view on our website.

COVID-19 Information:

Even though we are not in school, it is still really important we are told of any positive Covid-19 cases. Please keep updated with school communications during the holiday in case we need to let you know if your child needs to isolate due to a positive case in their class or phase.

- To report a positive covid result between Friday 2nd April and Saturday 10th April please text **07748 284407**
- To report a positive test between Sunday 11th April and Sunday 18th April please email **admin@st-pauls.gloucs.sch.uk**

SRE Curriculum

The DfE requirements for the Sex & Relationships education are changing from Summer 2020. As part of these changes, schools are required to consult with parents about what you believe should be taught in SRE.

YOUR OPINION IS IMPORTANT TO US!

You will be sent an email with a SurveyMonkey questionnaire later on today. Please make sure you complete **both** parts of the survey. If you have any worries or concerns, please do not hesitate to contact us. Thank you for your support in this matter.
