### Some office reminders

**Masks:** Although the government have recently confirmed they are able to continue following their roadmap to easing covid restrictions, the guidelines for primary schools have not changed. Please note therefore that face masks are required on school premises unless you have medical exemption. Thank you.

**Cars:** We have become aware of parents pulling up in their cars outside school, and allowing their children to get of the car. without parking. This is dangerous for all our pupils, other parents and passers by. It also causes congestion and disruption for our neighbours. Please park safely before escorting your children to our gates.

**Dogs:** A reminder that, with the exception of assistance dogs, dogs are not permitted on school property.

**Time To Talk Meetings:** These will take place on Wednesday 19th May between 12.30pm and 6.30pm. Please log into your Parentmail to book an appointment if you have not already done so. A big thank you to all our parents for your co-operation and patience with our late notice date change.

**Reception Parents Only:** Please let your child's key worker know if you wish to have a face to face or remote meeting. We will provide more information about face to face meetings next week.

### Superhero Day

On Monday this week, St Paul's was taken over by a fantastic group of superheroes! We were impressed with the range of heroes, which included Literacy Girl, Nature Boy, Recycle Man, Vocabulary Boy and Gamer Girl!

During the day we had a superhero parade, designed superhero logos, made masks and shields and even learned a superhero dance.

We really appreciated the energy, thought and creativity that went into making the costumes. A big thank you to parents and carers for helping to make it such a hero-tastic day!

Please join us in welcoming Mrs Lian Bates to the St Paul's team! Mrs Bates will be working in the office with Mrs Reynolds every morning.

### School Meals

Since the beginning of this term, we have been allowing all pupils to order a hot school meal. For those pupils who are not entitled to free school meals, a school lunch costs £2.20 per day and must be paid for using Parentpay.

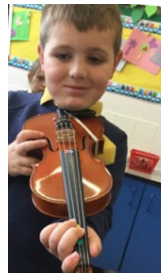

If you have any questions about ParentPay or have not yet set up an account, please contact Mrs Reynolds or Mrs Bates in the office and they will be pleased to help you. If you already have an account please check your account balances regularly, as meals cannot be ordered if your account is not in credit.

A copy of our school menu can be found on our website under Parents / School Dinners.

### Welcome back to school music!

It has been lovely to hear the sounds of drums, violins and recorders in school as we say hello once again to school music lessons. Music has always been an important and enjoyable part of our creative curriculum, and we are delighted it is back! Please head over to our phase blogs for videos and photos of our music in action.

### STARS OF THE WEEK!

- Phase 1** Renayah, for excellent maths
- Phase 1** David, for showing recent progress in all areas, but notably in literacy
- Phase 2 Air** Amelia, for her positive attitude and being a super star reader!
- Phase 2 Earth** Sophia, for being a reading superstar this week
- Phase 2 Water** Dixon, for showing recent progress in all areas, but notably in literacy, well done
- Phase 3 Earth** Jon, for focused and conscientious attitude to learning.
- Phase 3 Water** Kaiden, for consistent approach to his learning

Well done everyone!

### COVID-19:

To report a positive covid-19 case at any time please text **07748 284407**. Remember, we need to be advised of any positive test results even at weekends.
