RED NOSE DAY

We will be selling RED NOSES from the school office over the next few weeks in preparation for RED NOSE DAY 2022! Red Noses are £1.50 and are first come, first served! You can also buy them from Sainsburys and this year there are 8 to choose from. They are plastic free too. We will be raising money on March 18th by having a non-uniform day - more details to follow.

World Book Day

Yesterday was World Book Day. We had a whole school focus on the story The Day The Crayons Quit. We looked at the different crayons and how they linked to emotions and identity - this was really interesting as it linked back to our work in our What is Love and The Skin I'm In Theme earlier in the year. We dressed up as a crayon or as a character from a book who inspired us. We were able to do a whole school costume parade and also visit the Book Emporium - here we played book themed Catchphrase, bought our WBD book and took part in a book tombola to win new books for our classrooms. We read at lots of points in the day and it was great to share our favourite stories with our friends

COVID REMINDER— Please see updated Risk Assessment on the website. Masks are now optional on school premises. As the number of infections are decreasing we are no longer asking siblings to self isolate if your child tests positive. Pupils who have tested positive must take LFD tests on day 5 and day 6 of their self-isolation period. Those who receive two negative test results are no longer required to complete 7 full days of self-isolation.
