We are excited to announce that we will be starting to use Class Dojo as our primary method of communication, to give reminders, information and send out letters. Please ensure that you are connected to your child's account and have returned the Class Dojo agreement to your child's Key Worker. If you have any problems signing up, please let us know.

Rachel Labdon has sadly decided to resign from her position as Bilingual Czech Support. She will be missed at St. Paul's but we wish her all the best in future endeavours.

Our value this term is **HOPE**. We have discussed with the children in our whole school Collective Worship this week what this means. We also know that you need lots of other values, such as courage, patience, trust and friendship to help us feel hopeful. We know that sometimes it can be hard to have hope, especially in difficult or worrying times but as a school community, we will focus on supporting each other to hold on to our hopes and dreams.

"For I know the thoughts that I think toward you," says the Lord, "thoughts of peace to give you a future and a hope." Jeremiah 29:11

Unfortunately, Aldi have withdrawn permission for us to use their carpark for drop off and pick up. Please be aware that parking there will be at your own risk as per their sign. We understand drop off can be quite busy in the mornings. Please remember to **not** stop in the road to let your child out of the car. This is extremely dangerous and causes congestion to other vehicles.
