Phase 1 Nativity tickets are still on sale from the main office. Tickets are needed to attend. Our dates are December 6th and December 8th at 9am. £2 per ticket.

Raffle tickets are for sale from the main office and we are very excited as we have some wonderful hampers to win! £1 a strip.

CLUBS HAVE NOW ENDED

Clubs have now finished until next year so please make sure you collect your child at normal times from next week.

Are your children spending more time inside now that it is dark so early in the evening? Are they using devices such as a phone or iPad to fill their time? Do you know which websites they are using and who they are communicating with?

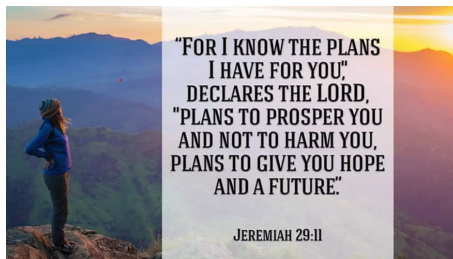

Did you know that most games have reporting and blocking tools which a young person can use if anything worries or upsets them within a game or app? Explore these features with your child and encourage them to use them, if needed. It is important to always give as much information and context as you can when filling in a report.

The children at St. Paul's have been focusing on what hope looks like for people who are not Christians as well as for those who are. We have been sharing our hopes in our CREW meetings and although we represent a variety of faiths we realised that we share many of the same hopes and dreams – including a hope for peace and love within our school and family. We realised that the value of hope is something that underpins and connects us all.

As Christians, we have a living hope. Our hope is in Jesus Christ who lives forever. Our hope will never die. "And now abide faith, hope, love, these three; but the greatest of these is love." *1 Corinthians 13:13*

What is HAF and HAP?

This winter Gloucestershire City Council are offering four days of activities and events for children and young people eligible for benefits related Free School Meals.

This programme, called the Holiday Activities and Food programme (HAF), is **funded by the Department for Education**. That means that for you, there is NO COST! It is absolutely FREE!

The HAF programme's purpose is to make sure children and young people are entertained, active, educated, safe, and fed between 19th and 22nd December.

Using grant funding, this offer is now available to **all children and young people across Gloucestershire** through the Holiday Activities Programme (HAP). So you can attend, even if you don't qualify for free school meals. It is FREE for EVERYONE!

How will it work?

Each day from 19th to 22nd December, activities and events across the county will be available either in person, or online. Each district area will have its own page so you can find activities closest to you and what is being offered. You can book your activities from 1st December.

Some in-person activities will also need you to sign up in advance, so the providers know which children and young people are coming to join that day's fun and games. A meal or food kit will also be provided, dependant on each district's offer.

You will be able to sign up to our [Children Activities Booking System \(CABS\)](#)

If you do not sign up for the HAF programme, your child(ren) will not be able to take part. If you need help signing up, please email: HAFParentEnquiries@gloucestershire.gov.uk. Or come in and speak to Karen Paterson, our school Pastoral lead and she will help you.
