

Perseverance

Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up.

Galatians 6:9

This week we have all been focusing on how, when and where we need to persevere and sharing our own personal experiences.

The CREW have had a very exciting week, recruiting new members! We had a very diplomatic choosing system and the new members of the CREW are very excited for their debut in Monday's assembly on February 13th where they will be exploring what happens if we don't persevere and how important it is to help those around us to persevere.
