Perseverance

We have had a very exciting week this week as we met our new CREW and enjoyed a wonderful assembly from them. They reminded us of the importance of persevering and how Christians believe God persevered to make a wonderful world. The new CREW members introduced themselves, wrote poems and prayers and let the assembly brilliantly - we were very proud of them and are looking forward to their next assembly on our new value next term which will be joy. We will find out more about our crew members in the next newsletter.

On Thursday 16th February St Paul's Boys football team played in the small schools cup match against Shurdington. With the home field advantage for Shurdington playing very much in their favour St Paul's defence were severely tested and Minhazul making some fantastic saves in goal.
