

Y6 SATS

We would like to wish all of the Y6 children lots of luck for their SATS tests starting next Tuesday. I have had a chat with them today and stressed the importance of making sure they turn up each day to sit the tests as it's really difficult to make arrangements to sit them on a different day. Information about timings will be on Class Dojo.

I have been so proud at the way they have helped each other and responded so well to the hard work put in by Miss Taylor and her team. They have all shown resilience, perseverance and a determination to improve: amazing qualities which will stand them in good stead for their secondary school experience.

I have been working with them this week in class and they have blown me away with their knowledge and positive attitude and also taught me lots! They deserve to do well and the school community will support them next week. Good luck everyone - you've got this Y6!

Important Reminders

Please can we remind everyone that children must not bring sweets into school. We have had a few instances of pupils bringing in sweets to share with their friends at break time, and although this is a lovely gesture, we do not allow sweets in school due to sugar content and potential allergens too.

Please can we also be reminded that St Paul's is a Nut Free zone—please do not pack nuts in your child's packed lunch. We thank you for your support with this.

What are we learning?

This term we are diving into becoming artists and practising our artistic skills. Children across the school took part in a competition to create a portrait of King Charles. We had a mixture of charcoal portraits, collage painting too!

For the rest of this term, we will be looking at our sketching and painting skills. We will take part in the NATRE Spirited Art competition, delving into the theme **Green faith, green future? ('God's good earth')**. Children will explore how God's earth was created and if, with the ever increasing issue of climate change, are we doing enough to protect our planet?

Learn more about the competition through the NATRE website: <https://www.natre.org.uk/about-natre/projects/spirited-arts/spirited-arts-2023/>

Safety and Behaviour Reminders

As the weather gets better and the sun shines at the end of the day, more of our Phase 3 children will be walking home alone. We **must** remind those pupils (and all others) of the importance of road safety. We trust students to walk home sensibly, stay on the paths and walk, or cycle, directly home.

Remember, while you are out of school but wearing your St Paul's uniform, you are representing us as a school and we expect our values to be demonstrated. St Paul's pupils need to show kindness, try their best and ensure their own, and others safety. This is also the case when you are walking to, or from school.

We have had reports of pupils knocking on doors in New Street after school—not only is this unsafe but it also puts our local residents under pressure. If this continues, we may have to look at revoking walking home privileges.
