Dear Parents and Carers,

As you are aware, we are not able to open school to full capacity at the moment. Whilst we are at home, it is important that the children continue to learn as they would be doing so in the classroom. To assist their learning we have put together some tasks for you to support them with:

Let's Keep Learning - see the blog for an overview of this week's learning.

We will have an online Welcome session and register at 8.45am every day – it is vital your child attends each morning.

We will be providing a live phonics lesson at 9am every day. If your child does not do live phonics, they will have Guided Reading set on TEAMS for them to complete.

There will be a live Maths lesson everyday

- 9.30am for Year 2
- 10am for Year 3
- 10.30 for Year 4

There will be a Literacy lesson at 11.30-12.30 every day.

There will be a live story and Collective Worship at 2.45pm every day.

For all live lessons, please look out for a Teams invitation on your child's email and Teams account. These lessons will last approximately 30 minutes. Please ensure your child is ready with their pencil and work book, provided in their work pack last term.

Although we have outlined the activities we will expect online attendance for, your child will have other activities set on TEAMS for them to complete. These activities will be set daily and work needs to be completed and uploaded to TEAMS by 3.30pm every day.

We love to see children learning! Please take photographs of the activities your child completes and email them to us. We can then congratulate your child on what they have achieved whilst at home and support them with anything they may have found difficult.

A member of the Phase 2 Team will call regularly to see how the learning has been going and to answer any questions you may have. In the meantime, please don't hesitate to email us if you have any further questions:
